

CrossWay International's Strategy

CrossWay International focuses on a number of areas as a means of outreach.

Water Well Drilling—We have drilled wells in Sudan (near Darfur), Kenya, Ethiopia, Tanzania, and we have plans to drill more in other parts of Africa and Central America.

Orphans—We support orphans and needy kids in Ethiopia, Liberia, Kenya, and other countries as we encounter them. We help provide food, shelter, and schooling if possible.

Medical Clinics—One of our medical clinics, which we recently established, is specifically for these orphans. We are opening a second medical clinic in Meki, Ethiopia.

Schools—Our school in Addis Ababa, Ethiopia, is self-supporting. A second school in Sudan is meeting the needs of the orphans there through the devotion of ten teachers, whom we support full-time.

Pastors' Conferences and Evangelistic Events—We sponsor pastors' conferences and evangelistic events in many parts of the world, including Sudan, Tanzania, Uganda, Ethiopia, Liberia, and Nicaragua to date.

God uses all of these various ministries as a platform to reach out to the truly impoverished and lost of our world and gain a hearing for the

CrossWay International's History

CrossWay International was founded in 1997 by Dean and Joan Chollar, when they returned from Belgium where they had been missionaries for 11 years.

CrossWay International's main focus is on evangelistic work overseas. Dean Chollar has traveled to 50+ countries (in spite of his physical blindness) to share the gospel, lead evangelistic campaigns, preach and teach in various capacities, and to encourage local Christian leaders. In addition, CrossWay embraces opening doors for sharing the gospel through numerous overseas projects, including income-generating projects and providing critical aid to those in need.

We are also available to help the stateside churches with evangelistic materials, equipping seminars and teaching, preaching and motivational speaking.

As the ministry has grown, God has also brought alongside a gifted staff, and 4 new missionaries, in addition to our coworkers overseas.

Personal History

Dean first met Francisco on one of his first mission trips to Nicaragua in 2009, and he served as an interpreter and guide for our team. His energy and knowledge of the culture and leaders of this country made him an ideal coworker.

Francisco's story, however, started well before 2009. "When a missionary came to Nicaragua and preached to me the clear gospel of Jesus, I knew right away it was Jesus calling me, and right away I decided to trust in Jesus' blood to cleanse me from all my sins. From then on God has been leading me into the world that is full of sin just as I once was. It has not been an easy task, but the faith that Jesus brings to my life allows me to move through all kinds of trials and tribulations.

God has been faithful and has blessed me with 4 girls and one boy and a wonderful wife who I thank Jesus for. After 9 years of training, the Lord has blessed us to start overseeing a ministry to reach out to all the lost here in Nicaragua, and now has blessed us to work with our brothers from Crossway International. We are so excited to take on these new responsibilities as we continue to learn more about what God wants us to do in His ministry that He has blessed us to oversee.

Our vision is to have a ministry that can sustain itself in the coming years. We pray that the brick machine we bought will become a tool that will help us sustain the ministry to help the elderly and children of Nicaragua and all the ones God brings to us.

We are also working on well projects also with the help of our brothers and co-workers from CrossWay International, as well as other kinds of ministries, including medical teams, building homes for the elderly, and

the Christmas toys program. God has given us the desire to conquer all of Nicaragua for Jesus!"
