

CrossWay International's Strategy

CrossWay International focuses on a number of areas as a means of outreach.

Water Well Drilling—We have drilled wells in Sudan (near Darfur), Kenya, Ethiopia, Tanzania, and we have plans to drill more in other parts of Africa and Central America.

Orphans—We support orphans and needy kids in Ethiopia, Liberia, Kenya, and other countries as we encounter them. We help provide food, shelter, and schooling if possible.

Medical Clinics—One of our medical clinics, which we recently established, is specifically for these orphans. We are opening a second medical clinic in Meki, Ethiopia.

Schools—Our school in Addis Ababa, Ethiopia, is self-supporting. A second school in Sudan is meeting the needs of the orphans there through the devotion of ten teachers, whom we support full-time.

Pastors' Conferences and Evangelistic Events—We sponsor pastors' conferences and evangelistic events in many parts of the world, including Sudan, Tanzania, Uganda, Ethiopia, Liberia, and Nicaragua to date.

God uses all of these various ministries as a platform to reach out to the truly impoverished and lost of our world and gain a hearing for the

CrossWay International's History

CrossWay International was founded in 1997 by Dean and Joan Chollar, when they returned from Belgium where they had been missionaries for 11 years.

CrossWay International's main focus is on evangelistic work overseas. Dean Chollar has traveled to 50+ countries (in spite of his physical blindness) to share the gospel, lead evangelistic campaigns, preach and teach in various capacities, and to encourage local Christian leaders. In addition, CrossWay embraces opening doors for sharing the gospel through numerous overseas projects, including income-generating projects and providing critical aid to those in need.

We are also available to help the stateside churches with evangelistic materials, equipping seminars and teaching, preaching and motivational speaking.

As the ministry has grown, God has also brought alongside a gifted staff, and 4 new missionaries, in addition to our coworkers overseas.

Personal History

Crossway international-Kenya became registered in Kenya in June 2010. Before then I was still working for Crossway International since 2007 where Dean was overseeing 549 orphans in the Aweil area of South Sudan. Since then we have been involved in The Lords work guided by Psalms 82:3-4 that says "Defend the poor and fatherless: do justice to the afflicted and needy. Deliver the poor and needy: rid them out of the hand of the wicked."

In Kenya, we are mostly involved in drilling water wells. We also assist 45 blind kids in Kangundo D.E.B. School with Braille machines, slates and stylus and personal effects.

Dean has traveled in Kenya several times and I have always assisted him while traveling to other African countries to reach the hurting world.

Ken, Winnie, Tyrese, and baby Faith

I am married to my lovely wife Winnie and

God has blessed us with two wonderful kids a boy and a girl, Tyrese 4yrs and Faith Nicol 1 year.

My ultimate prayer to the Lord is similar to that of David Livingstone, the famous missionary to Africa. He said:

"Lord, send me anywhere, only go with me.
Lay any burden upon me, only sustain me.
Sever any tie but the tie that binds me to
thyself."

The Ministry

Ken Gatithi is currently serving us as the General Manager of CrossWay International Kenya, who oversees the drilling ministry where we have drilled seven wells to date. He also oversees and takes care of the blind children, arranges Pastors conferences for Dean, arranges meetings for Dean and Crossway Missionaries with the communities that we have drilled water for sharing the gospel. Dean has also preached in Ken's church several times and it amazes Ken because many people have put their trust in Christ. Ken recently put together a pastors conference in Nairobi which was attended by 50 pastors.
