

CrossWay International's Strategy

CrossWay International focuses on a number of areas as a means of outreach.

Water Well Drilling—We have drilled wells in Sudan (near Darfur), Kenya, Ethiopia, Tanzania, and we have plans to drill more in other parts of Africa and Central America.

Orphans—We support orphans and needy kids in Ethiopia, Liberia, Kenya, and other countries as we encounter them. We help provide food, shelter, and schooling if possible.

Medical Clinics—One of our medical clinics, which we recently established, is specifically for these orphans. We are opening a second medical clinic in Meki, Ethiopia.

Schools—Our school in Addis Ababa, Ethiopia, is self-supporting. A second school in Sudan is meeting the needs of the orphans there through the devotion of ten teachers, whom we support full-time.

Pastors' Conferences and Evangelistic Events—We sponsor pastors' conferences and evangelistic events in many parts of the world, including Sudan, Tanzania, Uganda, Ethiopia, Liberia, and Nicaragua to date.

God uses all of these various ministries as a platform to reach out to the truly impoverished and lost of our world and gain a hearing for the

CrossWay International's History

CrossWay International was founded in 1997 by Dean and Joan Chollar, when they returned from Belgium where they had been missionaries for 11 years.

CrossWay International's main focus is on evangelistic work overseas. Dean Chollar has traveled to 50+ countries (in spite of his physical blindness) to share the gospel, lead evangelistic campaigns, preach and teach in various capacities, and to encourage local Christian leaders. In addition, CrossWay embraces opening doors for sharing the gospel through numerous overseas projects, including income-generating projects and providing critical aid to those in need.

We are also available to help the stateside churches with evangelistic materials, equipping seminars and teaching, preaching and motivational speaking.

As the ministry has grown, God has also brought alongside a gifted staff, and 4 new missionaries, in addition to our coworkers overseas.

Personal History

On January 12, 2004, I trusted in Jesus Christ alone for my salvation. After 22 years of being blind to the truth, Christ knocked on my door and showed me the way: by grace alone, through faith alone, in Christ alone. Two years later, I desired to serve him in church and in the ministry of AWANA, as well

as other ministries. Within the last year, He put in my heart the desire to run a beautiful ministry called "Peace in Your Heart." The ministry is 2km from Managua and ministers to young teens who have been struggling with drugs, alcohol, and immoralities. For me, it is a great privilege to serve young people and let them know that there is a way that leads to eternity—namely Christ—and then make them true leaders so that they can lead many more young people to serve the Lord.

GALATIANS 2:20- I have been put to death on the cross with Christ; still I am living; no longer I, but Christ is living in me; and that life which I now am living in the flesh I am living by faith, faith in the Son of God, who in love for me, gave himself up for me. AMEN Thanks to the Lord, I have had the opportunity to lead this youth ministry. We started with 4 young people, and thanks to His love and passion that he has put in many of them, today I am happy to say we have 35 young people. We meet on Thursdays to study and meditate on the word of the Lord, and honor and glorify his holy Word. I Timothy 1:12: "I give praise to him who gave me power, Christ Jesus our Lord, because he took me to be true, making me his servant."

I am now bringing this ministry under the oversight of CrossWay International and

look forward to learning much from their experience and ministry in Nicaragua.

Lorenzo with the young teens

The Ministry

Lorenzo will be heading up our efforts to reach the youth in Nicaragua. He has already demonstrated his passion and his capability for this ministry. He is presently using and teaching the teenagers how to share the clear presentation of the gospel of God's grace, which is the core value of CrossWay International.

In addition, he is assisting Francisco Caldera, our Field Director in Nicaragua, in researching other ministries, which we are actively pursuing: water well drilling ministry, orphans and needy kids ministry, and assisting in the arranging of Pastors' Conferences.

Lorenzo desires to be a full-time missionary with CrossWay International. We are anticipating the following needs for support: Per month:

Personal Support: \$200

Medical need- \$20

Travel/ mission expenses -\$50
