

CrossWay International's Strategy

CrossWay International focuses on these 5 main areas as a means of outreach:

- **Water well drilling**- We have drilled wells in Sudan (near Darfur), Kenya, Ethiopia, and Tanzania, and we hope to drill more in Africa, Central America, and other areas in the world.
- **Orphans**- We care for orphans and needy kids in Ethiopia, Kenya, Liberia, and Nicaragua. The CrossWay Coffee Ministry is a major source of support for these orphans. (www.crosswaycoffee.org)
- **Medical Clinics**- One of our medical clinics, which we recently established, is specifically for these orphans. We will soon have a second medical clinic up and running in Meki, Ethiopia. We also have a request to start one in Nicaragua.
- **Agricultural Training and Animal Husbandry**- In order to avoid the syndrome of dependency, we are sending a farming expert into Sudan to train the villagers to grow their own food and raise animals to feed these orphans.
- **Schools**- Our English Language School in Addis Ababa, Ethiopia, is self supporting. A second school in Sudan is meeting the needs of the orphans there through the devotion of ten teachers.

CrossWay International's History

CrossWay International was begun in 1997 by Dean and Joan Chollar, when they returned from Belgium where they had been missionaries for 11 years. The initial focus was on evangelism and evangelism training overseas. The ministry has since grown to include several new and exciting avenues to reach the lost, in spite of Dean's physical blindness. God has also brought alongside a gifted staff to assist in the ministry.

A main focus of CrossWay International is to bring badly needed humanitarian aid to remote and impoverished areas where the larger NGOs (non-governmental organizations) are not willing to go. We are honored to take medicine, food, and the gospel of Jesus Christ to these remote and needy areas.

Another facet of the ministry involves coming alongside national churches and coworkers overseas. They play an essential role in helping us develop and extend our ministry throughout their country and the world.

God uses all of these various ministries as a platform to reach out to the truly impoverished and lost of our world and gain a hearing for the gospel. As an African proverb says, "Empty stomachs have no ears."

Personal History

On January 12, 2004, I trusted in Jesus Christ alone for my salvation. After 22 years of being blind to the truth, Christ knocked on my door and showed me the way: by grace alone, through faith alone, in Christ alone. Two years later, I desired to serve him in church and in the ministry of AWANA, as well as other ministries. Within the last year, He put in my heart the desire to run a beautiful ministry called "Peace in Your Heart." The ministry is 2km from Managua and ministers to young teens who have been struggling with drugs, alcohol, and immoralities. For me, it is a great privilege to serve young people and let them know that there is a way that leads to eternity—namely Christ—and then make them true leaders so that they can lead many more young people to serve the Lord.

GALATIANS 2:20- I have been put to death on the cross with Christ; still I am living; no longer I, but Christ is living in me; and that life which I now am living in the flesh I am living by faith, faith in the Son of God, who in love for me, gave himself up for me. AMEN Thanks to the Lord, I have had the opportunity to lead this youth ministry. We started with 4 young people, and thanks to His love and passion that he has put in many of them, today I am happy to say we have 35 young people. We meet on Thursdays to study and meditate on the word of the Lord, and honor and glorify his holy Word. I Timothy 1:12: "I give praise to him who gave me power, Christ Jesus our Lord, because he took me to be true, making me his servant."

I am now bringing this ministry under the

oversight of CrossWay International and look forward to learning much from their experience and ministry in Nicaragua.

Lorenzo with the young teens

The Ministry

Lorenzo will be heading up our efforts to reach the youth in Nicaragua. He has already demonstrated his passion and his capability for this ministry. He is presently using and teaching the teenagers how to share the clear presentation of the gospel of God's grace, which is the core value of CrossWay International.

In addition, he is assisting Francisco Caldera, our Field Director in Nicaragua, in researching other ministries, which we are actively pursuing: water well drilling ministry, orphans and needy kids ministry, and assisting in the arranging of Pastors' Conferences.

The Support Needed

Lorenzo desires to be a full-time missionary with CrossWay International. We are anticipating the following needs for support:

Per month:

Personal Support: \$200

Medical need- \$20

Travel/ mission expenses -\$50
