FEBRUARY 2011

Dear Prayer Warriors,

Our recent trip in January to Nicaragua saw 133 children, 10 teens, and 2 adults put their trust in Christ alone for salvation! Our team had a unique dynamic this trip, as part of the team was in Masaya, about 30 minutes southeast of Managua, doing a pastor's conference; part of our team was in Matagalpa doing evangelism and teaching in churches; and yet one more person went to Chinandega, about two and a half hours west of Managua, to look at prospective freshwater well sites.

While in Matagalpa, we were able to provide over 600 Bibles to the people there. We conducted VBS at the Christian School near the water treatment plant we were at last year, as well as at several churches where Bruce and Robert spoke. At one church, we were able to show the Jesus Film Children's Edition in Spanish, and even the adults in the congregation enjoyed the movie. We spoke to almost 700 children this trip. Pam Palmer, a new addition to our team, was a highlight of our trip. This was her first mission trip, and she had a true gift of ministering to the kids. She was an incredible blessing to us with her sweet and tender spirit, and we pray she will go with us on future trips.

Robert preached 2 Tim. 4:1-8 on Sunday morning at the West Elim Church on the outskirts of Matagalpa. We also went to a very remote area where 39 families live to look at the possibility of drilling a water well. The children mostly live with relatives about 10 miles away so that they can attend school, church, and have drinking water. The nearest water source is about 2.5 miles from this community, and the nearest drinkable water is almost 4 miles away. We are praying for God's direction in putting in a water well, a school, and a church. This would have a tremendous impact on these families, since they'd be able to bring their children home to live with them instead of with relatives.

Our Prayer Partners are amazing! To help us prepare, Evelyn Hill, Liz Porter and her daughter, Amber, and Amber's friend (Amber!), along with our son Jacob, helped pre-cut and put together the crafts that Ann and Pam used in VBS with the children. We are very grateful for all of your help and prayers. Please pray for financial support for the next trip, and that our son may be able to join us. Also there is a great need for women's ministry. Please pray how God wants the details to work out for this and to give Godly wisdom and insight for this decision.

In HIS Name,

*Robert and Ann Messier*
