

2013

Dear VBS or Youth Leader,

Do you need a project for your VBS program this summer or for your youth ministry? We may have just what you're looking for!

We are providing support, with your help, to just over 1000 Orphans and Needy Kids in Nicaragua, Kenya, Ethiopia, and Liberia. The majority of them (around 700) are at 2 feeding centers in Nicaragua. Volunteers cook a hot balanced meal for the kids, which for many of them is their only such meal in the day. The kids learn that God cares for them in providing these meals, and when we take teams into Nicaragua, these are natural locations for our Gospel programs.

In Kenya, we have more than 50 blind kids for which we provide Braille paper, food, and various hygiene items, such as toothpaste and soap. In Ethiopia we have more than 50 kids at our new school in Meki, and another 9 orphans in the capital city of Addis Ababa. And in Liberia we have 50 orphans and needy kids that we support in various locations. As God provides, we are able to give more generously to all of these kids who are in great need.

Most of these Orphans and Needy Kids do not have their own Bible. But for \$5.00 we can provide them with their own Bible or a CrossWay Gift Cube, which is a simple but interesting tool which is very effective, particularly overseas, to help them understand and share the Gospel. (If you are not familiar with the Gift Cube, check it out on our website. You may also want to consider for the kids in your VBS or Youth Group.)

When we are able to send money to buy a piglet (\$35) or goat (\$50) or cow (\$500), this helps to provide food for these children in need.

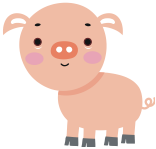

Contact us for more details if you would like to participate in this kind of project. (E-mail is the best way to reach me as I am often out of the country visiting the mission field. My e-mail address is dean@gocrossway.org.)
